County	GONZALES

Ladies/Gentlemen:

Attached please find an addendum on the above captioned project. Included in the attachment is an addendum notification which details the changes and the respective proposal pages which were added and/or changed.

Except for new bid insert pages, it is unnecessary to return any of the pages attached.

Bid insert pages must be returned with the bid proposal submitted to the Department, unless your firm is submitting a bid using a computer print out. The computer print out must be changed to reflect the new bid item information.

Contractors and material suppliers, etc. who have previously been furnished informational proposals are not being furnished a copy of the addendum. If you have a subcontractor on the above project, please advise them of this addendum. Acknowledgment of this addendum is not requested if your company has been issued a proposal stamped "This Proposal Issued for Informational Purposes."

You are required to acknowledge receipt of this addendum by entering the date, which appears at the top of this letter on the Addendum Acknowledgement Form, contained in your bid proposal.

Failure to Acknowledge receipt of this addendum in your bid proposal will result in your bid not being read.

ITEM 732 – Tree and Brush Removal

Repair damage immediately to delineators, fences or any appurtenances equal to or better than original condition, which is part of the right of way.

Notify utility companies when working in close vicinity of utility lines.

Leave the project site clean and neat in appearance upon completion and before final acceptance.

Remove all debris from diseased and/or infected limbs, branches and chips from the right of way.

Chipping may be allowed as directed. Avoid drainage obstruction when chip spreading is allowed in the right of way.

Trim to the height of 18 feet above pavement level. Trim other trees to the height of 12 feet above ground level.

Remove trees marked by TxDOT. Grind tree stump to a minimum depth of 8" below natural ground level. Backfill holes with acceptable material and compact flush with surrounding area.

Remove and dispose all trees (over 12" in diameter) felled in one day within 24 hours unless otherwise directed.

Do not perform work operations on private property at any time.

For payment clarification, the lower limit of each category of tree sizing will be accounted for in the previous. Example: 12"-24" category, a 12" tree will be paid for in the 4"-12" category.
